Since receiving your letter of 19 September 1959, I have asked our personnel office to review your application in light of our personnel requirements. They have advised me that our staffing situation has not changed substantially since we were last in touch with you and that there appears to be no opening in the immediate future which would accommodate your employment.

Your continued interest in the Central Intelligence Agency is appreciated and we shall notify you if a suitable opening should occur.

Sincerely,

*Signature*

Assistant to the Director
